Title: Financial Assistance Services Annual Authority for Procurement Requests

File Number: 2025-495

Background and Rationale:

The Financial Assistance Services Department provides federally and state-mandated safety net programs and quality services to the county's most vulnerable residents. It determines eligibility for and distributes benefits for the Supplemental Nutrition Assistance Program, the Minnesota Family Investment Program, Diversionary Work Program, Housing Support Program, Childcare Assistance, Medical Assistance, and Emergency Assistance programs to thousands of county residents. The department is committed to be a resident-centered agency that helps people meet their basic needs so they can live in dignity and achieve their highest potential. It seeks to exceed the expectation of community by increasing accessibility to the critical service the Financial Assistance Services Department provides.

This request for board action includes requests intended to improve and streamline the procurement processes with a centered focus on equity in the delivery of services to individuals. Ramsey County Board approval will continue to be requested for changes in practices, policies, new grant applications or actions affecting complement, revenues or appropriations relating to county levy, while maintaining an open, competitive solicitation process committed to racial equity. This effort increases transparency in how the department collaboratively engages the community during the solicitation and contracting process to meet the needs of racially and culturally diverse individuals, families, and communities.
