**Title:** Set Public Hearing Date for Jurisdictional Transfer of County Road 94/South Shore Boulevard - White Bear Township

**File Number:** 2025-276

---

**Background and Rationale:**

In an agreement from June 2022, White Bear Township and Ramsey County agreed to design and reconstruct South Shore Boulevard to have separate road and pedestrian facilities. The function and class of roadway following the reconstruction of South Shore Boulevard warranted the turnback of the corridor to White Bear Township.

Per Minnesota State Statute 163.11, Subdivision 5a, Ramsey County will be vacating or reverting a highway to White Bear Township. South Shore Boulevard (County Road 94) between 280 feet west of Bellaire Avenue (County Road 160) and County Road F (County State Aid Highway 12) are to be transferred to ownership by White Bear Township. The statute requires Ramsey County to host a public hearing in White Bear Township, to receive testimony from residents living in the township, regarding jurisdictional transfer of this roadway.

**Recommendation:**

The Ramsey County Board of Commissioners resolved to:

Set the public hearing date of August 18, 2025, at 7:30 p.m. or as soon thereafter, at White Bear Township Town Board meeting at 4200 Otter Lake Road, White Bear Township, MN 55110, to afford the public an opportunity to comment on the proposed Jurisdictional Transfer of County Road - County Road 94/South Shore Boulevard.

A motion to approve was made by Commissioner Jebens-Singh, seconded by Commissioner McGuire.

Motion passed.
