TEMPORARY RIGHT-OF-ENTRY AGREEMENT

Grass Lake Interceptor Relocation Project MCES Project No. 808861

This Right-of-Entry Agreement ("Agreement") is made and entered into by and between the County of Ramsey, a political subdivision of the State of Minnesota ("County"), and the Metropolitan Council, a public corporation and political subdivision of the State of Minnesota ("Council") (each singularly "Party" and jointly "Parties").

WHEREAS, the County owns real property located within the Grass Lake section of Vadnais-Snail Lake Regional Park in Shoreview, MN ("Park"), and

WHEREAS, the Council has a need to undertake a public improvement project, Grass Lake Interceptor Relocation, in the Park for the purposes of maintaining existing infrastructure and protecting public health and the environment as more fully set forth on **Exhibit** A and **Exhibit** C (the "**Project**"), and

WHEREAS, the Council intends to contract for the Project through a public bidding process, with construction work commencing February 1, 2026 and

WHEREAS, for purposes of conducting the Project, the County is willing to grant the Council and its contractors access within the Park for construction of the Project, subject to the terms and conditions of this Agreement, and

WHEREAS, the Parties intend to enter into a separate Permanent Easement Agreement that will provide terms for compensation to the County for easements, and provide such easements.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements stated below, the Parties agree as follows:

- 1. **Permitted Construction Access.** For purposes hereof, "**Work Area**" means the areas, identified on **Exhibits A and C**, lying within the "construction limits" shown thereon. The County grants permission to the Council and its contractors to access the Work Area for construction purposes subject to the terms stated in this Agreement. No construction staging or work may occur at any other location within the Park without prior written permission from the County.
- 2. **Term.** The term of the construction access shall be from February 1, 2026 through December 31, 2027 (the "Access Period"), unless extended by written agreement signed by the Parties' authorized representatives. During the Access Period, the Council and contractors shall have the right to enter the Work Area for purposes of the Project.
- 3. **Compensation.** The Council will compensate the County for the appraised value of trees removed and native seeding establishment and maintenance in the Park. The compensation items are defined in **Exhibit B**. Total reimbursement will be based on final quantities. The

Council shall update <u>Exhibit B</u> to show the actual quantities after work is completed. The revised <u>Exhibit B</u> shall be substituted for <u>Exhibit B</u> attached to this Agreement without the need for an amendment based on the actual, reasonable, and verifiable quantities.

The Council shall reimburse the County based upon invoices submitted by the County. The Council shall have fourteen (14) calendar days from receipt of such invoice to contest the amount due. Council shall reimburse County within thirty (30) calendar days of receipt of the invoice if it is uncontested or within thirty (30) calendar days of resolution if the invoice is contested.

- 4. **Trail Relocation.** The existing trail shall be removed as part of the project to the extents shown on exhibit C, and replaced with a 12 ft wide paved trail designed to support maintenance vehicles required for the new sewer interceptor and accommodate recreational use. In addition, a 16 ft wide natural grass trail will parallel the paved trail for the extents a of the project. The trail will be owned and maintained by the County at the conclusion of the project.
- 5. **Project Activities.** The Project includes the installation and operation of temporary conveyance systems (pumps and piping), replacement of manhole structures and interceptor sewers, abandonment of existing manhole structures and interceptor sewers and site restoration as defined in **Exhibit A**. Access to the Council manhole locations in the Park will require use of the trails. The Council or its contractors will be responsible for all necessary permitting for Project work, including all necessary traffic control. Council shall perform all Project work in conformance with the terms and conditions set forth in **Exhibit A**.
- 6. **Tree Removal.** The tree removal plan is incorporated into **Exhibit C**. The plan identifies any trees that may need to be removed including species and size impacted from project activities. The Trees to be removed have been identified in the field and tagged by the Council. The Council will remove the agreed upon trees at the start of construction. The Council will compensate the County for the appraised value of the trees removed as defined in **Exhibit B**. The County will not replant trees within 20-feet of the MCES Interceptor identified on **Exhibit A**.
- 7. **Restoration**. All Project work, including turf restoration of damaged areas due to construction activities, shall be completed within the Access Period. The Council shall cause its contractor to complete site turf restoration, including: removal and replacement of any damaged trail sections, soil decompaction, topsoil, turf seeding and removal of erosion control devices. Trail pavement including access routes will be inspected by MCES and the County in summer 2027 to determine if additional post construction trail restoration is required.

Upon completion of the Project, including satisfying all erosion control permit requirements, the site will be turned over to the County to begin native seed establishment and maintenance described in Article 10. The Council will compensate the County for self-

completing all native seeding maintenance tasks based on agreed upon value as defined in **Exhibit B.**

- 8. **Protection of Work.** All Project work, including restoration of damaged areas due to construction activities, shall be completed within the Access Period.—The Council will require its contractors to protect County property within the Park inside and outside of the Work Area. Restoration activities will restore any damage to turf, landscape, trees, or constructed features in the Park caused by the construction of the Project. Constructed features could include, but are not limited to, trails, bituminous and concrete pavement, parking lot infrastructure, curb and gutter, hardscape elements, signs, fencing, pedestrian bridges, and retaining walls. Restoration will include timely removal of all construction materials, debris, and temporary road materials, matching the original surface grade as far as practicable, repair or replacement of any constructed features, and restoration of the surface to like condition.
- 9. **Protection of Equipment.** The County will not be held responsible for any maintenance or damage caused to equipment left in the Work Area unless damage was caused by the County.
- 10. **Project Maintenance.** The Council shall cause its contractor to be responsible for maintaining (weed control & mowing) and watering during installation and for at least 60-day establishment period after installation or until all erosion control permits have been satisfied and closed by the governing authority. The volume of water shall be per plant requirements for establishment and normal growth. Upon competition of the Project and documentation of all erosion control permits being closed, the site will be transferred to the County for the native seeding maintenance.
- 11. **Public Access.** Trail closures, detours and limits to park access as necessary for public safety will require approval by the County. The Council will notify the public via through on-site signage, Council website and social media at least 2-weeks prior to construction and 1 week prior to any trail closures or limits to park access. The Council shall be responsible for providing, installing and removing trail construction signs. Council shall also cause its contractor to provide notification to the public at least 2-weeks prior to construction and 1-week for trail closure awareness.
- 12. **Notice and Signs**. The Council or its contractors will notify the County at least 3 weeks prior to start of construction, and 2 weeks prior to any trail closures or limits to park access, to allow for advance public notification of trail closures and park access restrictions. The Council will notify the public via through on-site signage, Council website and social media at least 2-weeks prior to construction 1 week prior to any trail closures or limits to park access. The Council will provide construction updates to the County for social media notifications. The contractor will be responsible for providing, installing, and removing all necessary traffic control devices for construction and trail closures.

13. **Council and Contractor Insurance.** The Council shall provide a certificate of insurance, or letter of self-insurance, prior to start of the Project indicating insurance coverage equal to or exceeding the following:

Commercial General Liability	Limit: No less than provided in Minn. Stat. Ch. 466
Auto (owned, hired, and non-owned)	Limit: No less than provided in Minn. Stat. Ch. 466
Workers' Compensation/Employer's Liability	Limit: \$500,000/\$500,000/\$500,000
Professional Liability	Limit: No less than provided in Minn. Stat. Ch. 466

Council will require any contractor performing work on the PROJECT to list the COUNTY as an additional insured, pursuant to the following language:

Additional Insured Language: The Contractor's certificate of insurance will state: "Ramsey County, its officials, employees, volunteers and agents are Additional Insured to the Contractor's Commercial General Liability and Umbrella policies with respect to liabilities caused in whole or part by Contractor's acts or omissions, or the acts or omissions of those acting on Contractor's behalf in the performance of the ongoing operations, services and completed operations of the Contractor under this Agreement. The coverage shall be primary and non-contributory."

The Council will provide the County evidence of the general contractor's insurance in type and amount as specified in the General Conditions for the Project, naming the County as additional insured under the commercial general liability policy as required above. Such evidence will be supplied after the contractor has been selected and the contract for the Project awarded.

14. **Notices**. Any notice or exchange of information which must be provided by a Party under this Agreement shall be sent to:

Ramsey County:

Name: B. Gus Blumer

Address: 2015 Van Dyke Street, Maplewood, MN 55109

Email: brett.blumer@co.ramsey.mn.us

Phone: (651) 266-0372

Metropolitan Council – Environmental Services Division:

Name: Michael Villari

Address: 3565 Kennebec Drive, Eagan, MN 55122

Email: Michael.Villari@metc.state.mn.us

Phone: (651) 602-4521

15. Additional Provisions.

a. Each Party agrees that it will be responsible for its own acts and omissions and the results thereof, to the extent authorized by the law, and shall not be responsible for

the acts or omissions of the other Party and the results thereof. Each Party's liability is governed by the provisions of Minnesota Statutes Chapter 466 and other federal and state law. This Agreement shall not be construed to negate, abridge, or waive, with respect to either Party, the liability limits or immunities of Minnesota Statutes Chapter 466.

- b. Neither the County nor the Council waives any immunities, or defenses on liability to the Parties at law or in equity, and the Parties expressly agree that the terms of this Agreement shall not be construed to effect any such waiver.
- c. This Agreement is governed, construed, and enforced under the laws of the State of Minnesota without regard to conflicts of law provisions.
- d. This Agreement is binding upon and inures to the benefit of the Parties and their respective heirs, successors and assigns, but no third Party may seek to enforce, nor shall benefit from, this Agreement.
- e. The provisions of this Agreement are to be considered as severable, and in the event that any provision is held to be invalid or unenforceable, the Parties intend that the remaining provisions will remain in full force and effect.
- f. This Agreement may not be assigned by either Party without the other Party's express written consent, such consent not to be unreasonably withheld.
- g. The terms of this Agreement may be changed only by mutual agreement of the Parties. Such changes shall be effective only upon the execution of written amendments signed by authorized representatives of the Parties to this Agreement.
- h. Failure by a Party to enforce or exercise any right in this Agreement will not be construed as a present or future waiver of such right.
- i. It is understood and agreed that the entire Agreement between the Parties is contained in this Agreement and that this Agreement supersedes all oral agreements and negotiations between the Parties relating to the subject matter. All items and exhibits referred to or attached to this Agreement are incorporated herein and are deemed to be part of this Agreement.
- j. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same document.
- 16. **Effective Date.** This Agreement is effective on the date the Agreement is fully executed by and delivered to each of the Parties (the "Effective Date").

IN WITNESS WHEREOF, the Parties have executed and delivered this Agreement as of the Effective Date.

EXHIBIT A SITE WORK

EXHIBIT B COMPENSATION

EXHIBIT B COMPENSATION

Grass Lake Interceptor Rehabilitation Project MCES Project No. 808861

No.	Item Description	U of M	Quantity	Unit Price	Extension
ı	Appraised Value of Trees Removed	LS	I	\$506,980*	\$506,980.00
2	Native Seeding Maintenance	SY	42,240	\$2.16	\$91,238.40

^{*} The estimated extent of tree removals shown in Exhibit C was used to determine the estimated price. At the completion of the tree removals, MCES and Ramsey County will determine the actual trees that were removed, Exhibit C will be updated to reflect as-built quantities, and the unit price will be adjusted to match.

I. Tree Removals

- The Council will Compensate the County for the value of the trees to be removed as identified in Exhibit C of the Access Agreement.
- Tree values based on Tree Assessment and Valuation performed by Heritage shade trees.
- See Exhibit C of the Access Agreement for breakout of each tree size, species and value.
- Total of 824 trees to be removed.

2. Native Seeding Maintenance

- The Council will Compensate the County for all native seeding maintenance to fully restore the land to permanent native land cover
- Price to be \$2.16/SY.
