Title: Appointments to the Capital Improvement Program Citizens' Advisory Committee

File Number: 2021-600

Background and Rationale:

The Capital Improvement Program Citizens' Advisory Committee (CIPAC) provides community participation for the planning process as outlined for the County Capital Improvement Program, from a broad base of residents. There are currently seven vacancies on CIPAC in Districts 1, 2, 3, 4, 5, 6 and 7. Recruitment through the county's open appointment process resulted in five applications. On September 7, 2021, the applications were forwarded to the Ramsey County Board of Commissioners for review and recommendation. Recruitment will continue for the remaining vacancies in Districts 3 and 4.
