HR Business Partner Services

- Each of the eight Business Partners has an assigned service team.
- Each service team is made up of several departments.
- All of the Ramsey County employees in those departments will be supported by their Business Partners during their employment.
- Business Partners are meant to be considered resources for recruiting, hiring, onboarding, employee relations issues and strategic planning.
- Business Partners and PBTA's work in partnership to provide support and to answer questions:
 - Strategic Team Business Partner-Tracy Sherbert
 - Strategic Team PBTA-Tim Koran

Administrative Staff-Principal Assistants

- Administrative staff
 - Classified
 - Hired through an open competitive process
 - Can be reassigned within the department
-
- Principal Assistants
 - Unclassified
 - At will employment
 - Can be appointed at the discretion of each Commissioner
-

Labor Relations & Compensation

Engage labor partners and county leadership in a collaborative, responsive and proactive manner that supports Ramsey County as a premier employer; by problem solving in creative, strategic and innovative ways that uphold the values, mission and goals of Ramsey County.

Labor Relations & Compensation

- Negotiate, interpret, advise and administer Ramsey County's 21 Labor Agreements
- Conflict resolution & grievances
- Training
- Wage studies & analysis
- Maintain compensation structure
- Labor communications

Build and grow strong, effective relationships with labor and county leadership to support employees servicing Ramsey County residents.

Diversity, Inclusion and Organizational Development Learning Management System

- A function of the Diversity, Inclusion and Organizational Development (DIOD) unit in the Human Resources Department by giving employees access to countywide and department-specific trainings and events.
- Visit YOUR learning and development center via RamseyNet – main page under popular links.
- Ability to assign learning opportunities.
- Attendance is open to all including the Commissioners (and please participate).

DIOD is also focused on:

- Partnership
- Organizational racial equity, diversity, and inclusion alignment
- Employee Engagement
- Data
