Background and Rationale

The Ramsey County Assessor's Office estimates market value and determines property classification, striving to provide an accurate and equitable property assessment. Standards are established to ensure that Ramsey County property owners are provided easy access to the Ramsey County Special Board of Appeal and

Equalization and simplified procedures for presenting appeals and receiving a fair, impartial hearing.

Minnesota Statutes, section 274.13, authorizes the County Board to appoint a Special Board of Appeal and Equalization for 2021. As provided by Minnesota Statutes, section 274.14, the board must meet after the second Friday in June on at least one meeting day and may meet for up to ten consecutive meeting days. This Special Board would serve beginning June 14, 2021, and must conclude on or before June 25, 2021 (excluding Saturday). It will hear taxpayers' appeals of their 2021 market value or classification. These 2021 values and classifications will be utilized to calculate the 2022 property taxes.

There are no changes in the Code of Ethics and Conduct Guidelines from 2020. One minor change to the Procedural Rules was made to add language around holding the 2021 Special Board of Appeal and Equalization virtually if needed due to COVID-19 concerns. If the meeting is held virtually, [Open Meeting Law \(Minnesota Statutes, Chapter 13D\) <https://www.revisor.mn.gov/statutes/cite/13D>](https://www.revisor.mn.gov/statutes/cite/13D) guidelines will be followed.

Under state law, the county must have one voting member who has completed a Department of Revenue training course within the last four years. Five of the ten appointed board members have completed this training.

County Goals (Check those advanced by Action)

☐ Well-being ☐ Prosperity ☐ Opportunity ☒ Accountability

Racial Equity Impact

The County Assessor Department strives to assess all properties fairly and equitably. The Special Board of Appeal and Equalization process reviews values and/or classifications to ensure they are correct and ensures that owners are not paying higher taxes than a property is worth, and as a result, reduces the financial burden. Language, racial or cultural issues can create barriers to access and/or understand the Special Board of Appeal and Equalization process, therefore more work may be needed to address those issues.

Community Participation Level and Impact

The community is informed about this action through County Board action, which is published on the County's website at

Fiscal Impact

The Special Board of Appeal and Equalization process is state mandated. Funds are included in the approved 2021 County Assessor budget. Each member is paid a daily fee for their service. The daily fee paid to members encourages participation by real estate professionals and helps them offset revenue lost while serving on the board. The expense for the 2021 meeting is estimated to be \$4,000.

County Manager Comments

MN Statutes requires that a Board of Appeal and Equalization be held, and authorizes the establishment of a Special Board of Appeal and Equalization.

Last Previous Action
